Nutrition Counseling

I've moved, but I'm not gone!

My office is just up the street in **North Park Place** in **Suite 1** with **NWA Pediatric Clinic Psychological Services**.

The address is 237 East Millsap, Suite 1. It is directly across the street from the tall gray Tyson building. Suite 1 is the office closest to the street.

My new phone number is 571-7178.

I still see adults as well as children for wellness, weight management, and diagnosis-specific counseling. This move gave me a larger space and it will be more convenient for you, too. You can park right next to the office and zip in!
